(f) and (g) To the extent information is available, there is no indigenous production of medicines based on Cyclosporin required for organ transplantation.

(h) and (i) To the extent information is available, the imported raw material required for manufacture of drug for AIDS and imported finished medicine on this drug attracts custom duty. The proposal for custom duty exemption on intermediates for manufacturing of drug for AIDS was received and the same was recommended to Ministry of Finance for their appropriate action.

Cost study by BICP

3095. SHRIMATI KAILASHPATI: Will the PRIME MINISTER be pleased to refer to answer to Unstarred Question 645 given in the Rajya Sabha on the 5th September, 1991 and state:

(a) how much time was taken by BICP to conduct cost study after Government sent directions;

(b) when was the price of vovern tablets which is based on Diclofenac Sodium fixed during the year 1990-91 and what was its earlier and revised price;

(c) who are the producers of Dicofenac Sodium and what was the production of each during the last three years, year-wise;

(d) when did BICP conduct cost-cum-technical study of this drug and when did Government receive recommendations;

(e) what was the price recommended and what prices was notified;

(f) what is the present price per kg;

(g) what are the names of drugs for which Government have still to receive recommendations of cost-cum-technical study; and

(h) when did Government ask and what is the reasons for delay in each case?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI CHINTA MOHAN): (a) The time taken by BICP to conduct cost study after Government send directions depends on the number of units involved, response to the questionnaires issued by BICP and so many other connected factors.

(b) The price of Voveran Tablets based on Diclofenac Sodium was Rs. 12.07 for 10's strip as per MIMS in April, 1990 and the price of the same was revised in November, 1990 to Rs. 4.90.

(c) To the extent information is available, M/s. Hindustan Ciba Geigy and M/s. Unique Chemicals are the producers of this drug. The details of production have to be collected from the producers and will be placed on the Table of the House.

(d) to (f) The BICP conducted the cost-cum-technical study of Diclofenac Sodium in 1991 and forwarded its recommendations in September, 1991 which are under examination in this Ministry and a view on this would be taken shortly. At present there is no notified price for this bulk drug. The DPRC Sub Committee has been adopting a price of Rs. 5027.55 per kg. as an interim price of bulk drug for regulating the prices of formulations based on this drug.

(g) and (h) The conducting of cost-cum-technical study by the BICP and sending their recommendations to this Ministry is an on-going process.

Total number of Multinational drug Companies
